Agudath Israel of America is part of the world movement of Agudath Israel, which was founded in 1912 to mobilize Torah-loyal Jews for the perpetuation of authentic Judaism. Agudath Israel aims to establish the sovereignty of Torah in all problems facing the Jew as individuals and as a nation. To achieve these aims, Agudath Israel of America maintains nineteen divisions of activity embracing every phase of Jewish life and daily affecting the lives of many thousands of Jews, young and old.

Tamuz, 5765

Dear Friend: ׀

We are pleased to present the fourth edition of the International Daf Yomi Directory. The heavy demand for earlier editions demonstrated the interest of travelers to maintain their learning of the Daf Yomi wherever they may find themselves.

Daf Yomi was presented by its illustrious founder, Horav Meir Shapiro zt'l, at the first Knessia Gedola (World Congress) of Agudath Israel, to bring Achdus to Klal Yisroel through the study of a common Daf Gemora throughout the world.

Thousands of Jews participate in this daily Torah study program in far-flung corners of the globe, thus making this project the greatest "Yeshiva Without Walls" in the world.

Best wishes for Hatzlocho in your Daf Yomi learning.

Sincerely,

Gedaliah Weinberger  
Chairman

P.S. Since the number of shiurim has Boruch Hashem grown substantially during the current cycle, there are undoubtedly shiurim not listed here. If you are aware of additional shiurim that should be included in the directory, or of any changes and/or corrections to existing listings, please call Rabbi Avrohom Nisan Perl at (212) 797-9000 Ext. 56, or write: Agudath Israel of America, Daf Yomi Commission, 84 William Street, New York, NY 10038.
