DAF YOMI COMMISSION

Sivan 5765

Dear Friend:

We are pleased to present the fifth edition of the Daf Yomi Directory. The heavy demand for earlier editions demonstrated the interest of travelers to maintain their learning of the Daf Yomi wherever they may find themselves.

Daf Yomi was presented by its illustrious founder, Horav Meir Shapiro zt'l, at the first Knessia Gedola (World Congress) of Agudath Israel in 1923, to bring *achdus* to *klal yisroel* through the study of a common *daf gemora* throughout the world. Over the last eighty years, Daf Yomi has grown both in *kamus* and *achus*.

Thousands participate in this daily Torah study program in far-flung corners of the globe, thus making this project the greatest "Yeshiva Without Walls" in the world.

Best wishes for *hatzlocho* in your *limud* of Daf Yomi *lehagdil Torah ul'hadira*.

Sincerely,

Gedaliah Weinberger  
Chairman

DAF YOMI COMMISSION

Sivan 5765

Dear *Lomed Daf Yomi*:

We wish to offer our thanks to the *maggidei shiur* and *askonim* of the *daf yomi* for their cooperation in providing us with their updated *shiur* data. In the several months since the 11th Siyum Hashas, we have been *zocheh* to register over three hundred newly formed groups.

Each *shiur* lists in column order, the *shiur* location, time given and the name and telephone number of the *maggid shiur* /contact person for the *shiur* as well as the language in which the *shiur* is given (E =English, H = Hebrew, Y = Yiddish).

This edition lists all registered *shiurim* in the United States and Canada. If you plan to travel abroad and need *daf yomi shiur* information for other countries please contact us.

Although much effort has been expended for accuracy, (all information received through Nisan 5765 is included), undoubtedly, *shiurim* exist that are not yet listed. Please forward any additions, and/or corrections to the Daf Yomi Commission – Agudath Israel of America, 42 Broadway (14th Floor), New York, NY 10004, 212.797.9000 ext. 267, fax 646.254.1630 or e-mail to [torahprojects@agudathisrael.org](mailto:torahprojects@agudathisrael.org). We welcome your comments or suggestions.

Sincerely,

Rabbi Avrohom Nisan Perl  
Coordinator
